

SMILE with Pride

A dental clinic provided by Hunter New England Oral Health for people living with HIV.

Smile with Pride will offer you a free dental assessment and advice on how to care for your smile.

We will advise you and guide you in the best direction to get the care you need.

- ◆ We are understanding and caring
- ◆ Nothing will happen without you knowing about it
- ◆ Everyone receives a free oral health pack during their visit

Come and find out how we can help you
“Smile with Pride”
